

## WHAT EVERYBODY WANTS?

---

Everybody wants a good financial protection for family,  
but nobody wants to pay for insurance.

Everybody wants to get prepared for emergency,  
but nobody wants to have a emergency fund.

Everybody wants to have a nomination for few thousands in their  
savings bank account,  
but nobody is prepared to write a will for their real estate.

Everybody wants to save tax,  
but nobody likes to plan for it.

Everybody wants to give a great future for their child,  
but nobody wants to accept the future cost.

Everybody plans for a two week vacation,  
but nobody bothers for longest vacation that is retirement.
